30 March 2011

For the attention Mr. Constantin Haddad, General Manager

Dear Constantin

Formation of a MENA branch of IDGTE

It was a pleasure to meet with you, Said Mazigh and Yassine Messaoud in London on the 9th and 10th of March.

IDGTE is greatly encouraged by your initiative to form a branch in the MENA region and to hear of the progress that has been achieved. The membership applications for the first Tunisian members were approved at the Council meeting that took place on 17th March and this provides the foundation upon which to build the branch. Also, Council approved the formation of the branch by passing the following resolution:

Council notes the developments and meetings that have taken place regarding the formation of an IDGTE branch in the Middle East and North Africa region and, in accordance with Rules 9.1 – 9.6, approves, in principle, the formation of a MENA branch by Said Mazigh, Yassine Messaoud and Constantin Haddad said branch to be managed by a local committee of Said Mazigh, Yassine Messaoud and Constantin Haddad and their successors in accordance with IDGTE Rules.

In order that you can process an application for permission to form the branch with the Tunisian authorities, I attach the following information:

Copy of IDGTE Rules

Copy of IDGTE Articles of Association and letter of company registration.

Copy of letter of registration as a charity

Copy of licence from Engineering Council

The Institution of Diesel and Gas Turbine Engineers, Bedford Heights, Manton Lane, Bedford MK41 7PH

Registered Office above – Registered in England and Wales as a company limited by guarantee No 7244044

Registered Charity No 1139906

IDGTE is an organisation dedicated to the dissemination of knowledge as more specifically detailed in the Rules and Articles of Association. It is a company limited by guarantee registered in the United Kingdom, company number 7244044 <http://www.companieshouse.gov.uk//index.shtml>. Companies limited by guarantee are non profit making and are owned by the members. Additionally, IDGTE is a registered charity in the UK, register number 1139906 <http://www.charity-commission.gov.uk/> and a Licensed Member of the Engineering Council, <http://www.engc.org.uk/>

We are very grateful for and fully support your enthusiasm for this initiative.

Yours sincerely
